Subject: DRIVEWAY DESIGN EXCEPTION REQUEST
PROPOSED DUPLEX DEVELOPMENT
8325 SE 19TH AVE

Dear Mr. Redeau,

The applicants for a building permit for a duplex at 8325 SE 19th Avenue have requested a letter from the Sellwood-Moreland Improvement League (SMILE) in support of the Driveway Design Exception Request made to your office. Our Transportation Committee and our Board of Directors reviewed the request and discussed it with the applicant at public meetings on February 15, 2017. Both the Transportation Committee and the SMILE Board of Directors voted to support the request.

Please let me know if you have any questions.

Sincerely,

for
Corinne Stefanick, President
Sellwood Moreland Improvement League (SMILE)
