

MEETING MINUTES

July 19, 2017 SMILE TRANSPORTATION COMMITTEE

1. Meeting called to order by Scott Kelly, Transportation Committee Chair. Others in attendance:
Elaine O'Keefe, Edward LeClaire, Will Henderson, Jessica Hunter, Brad Hale, and Charles Letherwood.
2. Parking Survey
Elaine presented the results of the survey (raw data). She will share the Google Sheet file with Will, Scott and Edward. Will said he could help with creating heat maps. Edward and Scott will help to edit the street data to be in the proper format for geocoding. Other unique responses need to be grouped into general categories.
3. Reedway Overcrossing Project
Will said he would like help getting the word out about the project prior to the September 13 City Council meeting when the Transportation System Development Charge program and project list will be considered. Will to find out who at PBOT might be good to invite to SEUL or SMILE. Elaine will put an article on the SMILE website about the project. Will asked for help writing articles for publication in The Bee and other newspapers to help create community interest in the project.
4. Neighborhood Greenways Yard Signs
SMILE has about 25 yard signs left for distribution to people who live on Neighborhood Greenways, i.e., SE 19th, SE Umatilla, and SE Spokane. People who are interested can contact Scott Kelly at tscottkelly@gmail.com.
5. Bike Parking
The concrete pad for the bike racks along SE Tenino at SE 13th has been completed. Scott will coordinate for PBOT to install the 4 bike racks.
6. Portland in the Streets Program
Discussion of this new grant program through PBOT.
7. Future Agenda Items:
Parking Survey, review remaining work to be done.
Tacoma Traffic, presentation by PBOT
8. The meeting was adjourned at 7:25 p.m.
