

MEETING MINUTES

June 21, 2017 SMILE TRANSPORTATION COMMITTEE

1. Meeting called to order by Scott Kelly, Transportation Committee Chair. Others in attendance:
Elaine O'Keefe, David Giles, Bob Burkholder, Carrie Leonard.
2. Signage for Neighborhood Greenways
Scott showed the 30 Neighborhood Greenway yard signs Jessica Hunter obtained from PBOT. Two yard signs were distributed.
3. Sign Toppers
Scott noted that the rough cost for the sign toppers is about \$80 each and there are about 25 intersections on 19th, so the cost would be about \$2,000 for that Neighborhood Greenway alone. There are about 25 intersections on Umatilla and Spokane combined, so that would be about \$2,000 more. No action was taken.
4. Parking Survey
Elaine O'Keefe reported that 599 total surveys were received. About 535 residential and 25 businesses. She noted the location data needs to be geocoded for mapping.
5. Future Agenda Items:
PBOT Tacoma Traffic analysis
Parking Survey data analysis
6. The meeting was adjourned at 7:25 p.m.
