

Station.” Miriam Erb and Kim Borcharding simultaneously seconded the motion, which then carried unanimously.

Joel followed with a second motion: “I further propose that [an ad hoc] Fund Raising Committee be formed, whose sole initial purpose is to plan and promote the brick pathway fundraiser (marketing is a key aspect of it of course).” Elaine O’Keefe seconded his motion, which then again passed unanimously. Kim Borcharding volunteered for the committee, and Kevin Palmer and Brian Bawol (neither of whom was present) were suggested by Board members as possibly interested in participating also.

David Schoellhamer, Chair of the Land Use Committee, appeared before the Board to suggest possible SMILE comments prepared by the committee on the new city “Better Homes By Design” conceptual report. The city is proposing increasing multifamily zoning. David led an extensive and detailed illustrated discussion of suggested SMILE responses, developed by the Land Use Committee, to points throughout the somewhat sketchy city report. Many of the suggested responses received favorable comments from members of the Board.

Gail Hoffnagle made a motion that SMILE accept the recommended responses, while adding an introductory paragraph to the final version – a version which would be reviewed by the SMILE President, for adherence to what the SMILE Board had already approved, before it was sent. Eric Norberg seconded the motion, which then passed unanimously.

R. Corless ended the meeting with a report from the SMILE Crime Prevention Committee. August is “Crime Prevention Month”, and crime prevention expert Teri Poppino from ONI will be present and participating at the August 2 SMILE General Meeting. Then, Friday, August 4, the Sellwood Center Apartments at S.E. Tenino at 17th will be hosting their own open “National Night Out” party; and “Sundae in the Park”, on August 6 this year, at Sellwood Park, is recognized by the city as the Sellwood-Westmoreland neighborhood’s official “National Night Out” party.

There being no other business on the agenda or offered from the floor, Joel Leib moved the meeting be adjourned, and Miriam Erb seconded the motion, which then carried with evident unanimity at 9:07 p.m.
